

WHY TITAN MANUFACTURING?

Engineered for strength. Built with precision.

With 30K, 60K, and 75K capacity models, our XOR Series hoists are trusted by professionals who demand reliability and performance in every load.

- ✓ BUILT FOR HEAVY-DUTY DEMANDS
- ✓ EASY MAINTENANCE DESIGN
- ✓ BACKED BY A 3-YEAR WARRANTY

**BUILT FOR THE LOAD.
READY FOR THE GRIND.
JUST LIKE YOU.**

📍 3941 FM362, Brookshire,
TX 77423

Made in Texas, USA. Trusted Nationwide.

PERFORMANCE THAT DELIVERS

- ✓ 10" MAINFRAME + 4" SUBFRAME
- ✓ 48° DUMP ANGLE
- ✓ GREASABLE ROLLERS WITH REINFORCEMENT CAGE
- ✓ LED LIGHTING + SAFETY ALARMS
- ✓ BACK UP CAMERA READY
- ✓ FULLY ENCLOSED INSIDE CAB
- ✓ CONTROLS
- ✓ PITNTLE HITCH READY APRON

Standard 22" frame.
Universal fit.

MODEL	CAPACITY	CONTAINER LENGTH	CA/CT	CT W/TARP	DUMP ANGLE
XOR-30-22	30,000 LBS	10'-24'	176"	188"	48°
XOR-60-22	60,000 LBS	10'-24'	176"	188"	48°
XOR-75-22	75,000 LBS	10'-24'	176"	188"	48°

Engineered with the operator in mind, the XOR Series features a standard 36" rail, fully enclosed controls, reinforced structure, and greasable rollers—ensuring easy operation, safety, and long-term durability.

Whether you're hauling waste, scrap, or material containers — the Titan XOR Series is engineered for efficiency, durability, and unmatched performance.
